Department
of Medical
Education,
U.P**

"Uma Nath Singh Autonomous State Medical College, Jaunpur, is a government medical institution established under the ambitious vision of the Government of Uttar Pradesh. It functions under the aegis of the Department of Medical Education, Government of Uttar Pradesh, and is academically affiliated with Atal Bihari Vajpayee Medical University (ABVMU), Lucknow."

It is recognised by the National Medical Commission (NMC) and runs its own **government hospital** equipped with all essential and emergency healthcare services — ensuring that students are trained in a real-world clinical environment from the beginning.

The institution represents a perfect blend of **governance, infrastructure, and medical education reform**, committed to nurturing healthcare professionals with competency, character, and compassion.

4 YEARS OF UNPRECEDENTED GROWTH & COMMITMENT TO HEALTHCARE EXCELLENCE

Since its inception, Uma Nath Singh Autonomous State Medical College, Jaunpur has swiftly emerged as a center of academic brilliance, clinical training, and compassionate healthcare. Backed by the Government of Uttar Pradesh and approved by the National Medical Commission (NMC), the institution stands tall with its mission to serve society by nurturing skilled and ethical healthcare professionals.

In just 4 transformative years, the college has achieved remarkable milestones — developing a strong academic framework, launching specialty departments, organizing national CMEs, and building a fully functional multi-specialty hospital.

UNS AUTONOMOUS STATE MEDICAL COLLEGE JAUNPUR

Uma Nath Singh Autonomous State Medical College, Jaunpur (UNS-ASMC) is a premier government medical institution established by the **Government of Uttar Pradesh**, affiliated to **Atal Bihari Vajpayee Medical University, Lucknow**, and approved by the **National Medical Commission (NMC)**.

With **100 MBBS seats** and **60 Paramedical seats**, the college offers quality medical education integrated with real-time clinical exposure at its own **multi-specialty**

**"MORE THAN A MEDICAL COLLEGE — A COMMITMENT TO
NATION'S HEALTH."**

Mission

- To deliver **holistic and ethical medical education** that meets national and global standards.
- To provide **affordable, accessible, and quality healthcare** services to the people of the region.
- To foster an environment of **research, innovation, and academic inquiry**.
- To instill in students a sense of **professionalism, empathy, and lifelong learning**.

Vision

"To be a premier institute in medical education, research, and patient care—nurturing compassionate, competent, and community-oriented healthcare professionals who contribute to the health and well-being of society."

Principal's Message

Prof. (Dr.) Ruchira Sethi

Principal ,
UNS Autonomous State Medical College,
Jaunpur

Welcome to **Uma Nath Singh Autonomous State Medical College, Jaunpur**, affiliated with **Atal Bihari Vajpayee Medical University, Uttar Pradesh**. It is my privilege to lead this premier government institution dedicated to **excellence in medical education, research, patient care, and community service**.

At UNS-ASMC, we believe that the journey to becoming a successful doctor begins with a strong foundation in **ethics, scientific inquiry, and social responsibility**.

Our **dynamic, competency-based curriculum** integrates medical knowledge with essential skills, attitude, and professionalism. Backed by a team of dedicated faculty comprising experienced educators, clinicians, and researchers, we focus on **mentorship-driven learning**. Our well-equipped laboratories and skill labs empower students with hands-on experience essential for modern-day clinical practice.

The **central library**, enriched with national and international journals, serves as the academic heart of the institution — promoting a culture of continuous learning and research. A **digital library** with open access to reputed medical journals ensures that our students and faculty remain connected to the latest advancements in the field.

We take pride in offering **both undergraduate and postgraduate medical education**, while actively encouraging **community outreach, public health initiatives, and holistic student development** through extracurricular and leadership-building programs.

Together, let us uphold the highest standards in medical education, research, and compassionate patient care — working toward a healthier, inclusive, and equitable world.

R. Sethi

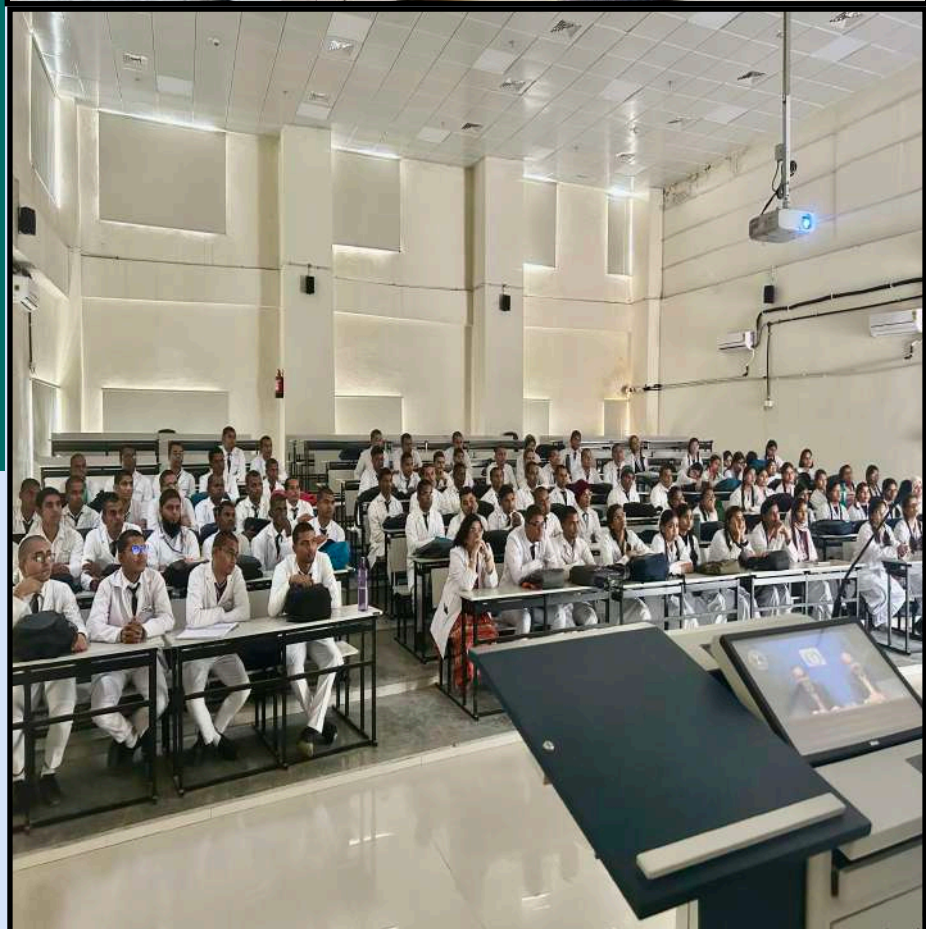

ACADEMIC PROGRAMS

Bachelor of Medicine & Bachelor of Surgery (MBBS)

- **Annual Intake:** 100 MBBS seats
- **Admission Process:** Through NEET-UG followed by centralized counselling conducted by DGME, Uttar Pradesh
- **Duration:** 4½ years academic teaching + 1-year compulsory rotatory internship
- **Curriculum:** As per NMC competency-based MBBS curriculum, with integrated teaching, early clinical exposure, and structured skill lab training

Students are trained through a balanced mix of classroom instruction, laboratory-based learning, hospital postings, and community outreach under the supervision of experienced faculty.

Paramedical Diploma Courses

(Under State Paramedical Board, Uttar Pradesh)

In addition to MBBS, the college runs **paramedical diploma programs** recognized by the **Uttar Pradesh State Medical Faculty, Lucknow**, aimed at producing skilled allied health professionals to support clinical services.

- **Total Sanctioned Seats:** 60
- **Diploma Programs Offered:**
 - Diploma in Medical Laboratory Technician (DMLT)
 - Diploma in Operation Theatre Technician (DOTT)
 - Diploma in X-Ray Technician (DRIT)
- **Eligibility:** As per norms of UP State Medical Faculty, through merit-based selection or counselling process
- **Duration:** 2 years (as per course)

Students are trained through a balanced mix of classroom instruction, laboratory-based learning, hospital postings, and community outreach under the supervision of experienced faculty.

Postgraduate Medical Education (MD/MS Courses)

Uma Nath Singh Autonomous State Medical College, Jaunpur is gradually expanding into postgraduate medical education to strengthen specialist-level healthcare and academic advancement in the region.

Currently Permitted PG Courses (By NMC):

- MS Anatomy
- MD Biochemistry

These foundational departments have begun nurturing the next generation of academicians and researchers with a focus on advanced teaching, scientific exploration, and integrated learning.

PG Courses Applied For (Permission Under Process – NMC):

The institution has also submitted proposals for permission to start MD/MS courses in the following **clinical and para-clinical specialties**, as per **National Medical Commission (NMC)** norms:

- MS General Surgery
- MS Orthopaedics
- MD Anaesthesiology
- MD General Medicine
- MD Obstetrics & Gynaecology
- MD Pathology
- MD Pharmacology

All departments have been strengthened in terms of **faculty recruitment, patient load, teaching infrastructure, and skill labs**, in line with NMC requirements for PG course approvals.

Our vision is to establish UNS-ASMC as a **full-spectrum teaching hospital**, offering both undergraduate and postgraduate education with a focus on academic excellence and service delivery.

Campus Infrastructure & Facilities

Cultural Activities

At **UNS Autonomous State Medical College,** Jaunpur, we believe in nurturing not just academic excellence but also artistic expression and creativity. Our annual cultural fests and celebration weeks provide students with a vibrant platform to showcase their talents in music, dance, drama, debate, and more. From traditional festivities to modern performances, these events foster camaraderie, confidence, and a well-rounded personality in every student.

Dr. Ruchira Sethi

Professor (Department of Anatomy)
Principal UNS ASMC Jaunpur
World Research Fellow of London
(WRFL)

UNS Autonomous State Medical College, Jaunpur is proud to be led by distinguished faculty committed to academic brilliance, clinical excellence, and research innovation. With a strong foundation in values, ethics, and patient-centered education, our faculty ensures a transformative learning experience for every student.

"At UNS-ASMC, we strive to shape not just competent doctors, but compassionate leaders in healthcare. Our faculty includes experienced educators, many of whom have trained at prestigious institutions such as AIIMS, KGMU, BHU, SGPGI and other reputed centers. Through modern teaching methods, simulation-based training, and active mentorship, we ensure students are empowered for both national and global healthcare challenges."

Our institute is committed to nurturing holistic medical professionals through:

- A dedicated and dynamic faculty team,
- Regular CME, hands-on skill labs, and workshops,
- Active involvement in research and publication,
- A curriculum aligned with NMC competencies and 21st-century healthcare needs.

Thousands of students across MBBS and paramedical courses are benefiting from a progressive environment that balances academics with empathy, discipline with discovery, and innovation with integrity.

At UNS-ASMC

**WE DON'T JUST TEACH MEDICINE — WE
IGNITE THE SPIRIT OF SERVICE.**
